***More Than Just Basketball***

**The BGBL Welcomes Everyone**

You may have recently noticed the BGBL has added GLBTQ to its name. The Board voted in July to alter the name from Boston Gay Basketball League to Boston GLBTQ Basketball League in an effort to become more inclusive to welcome

everyone, in conjunction with our mission statement. The changes will be updated on all Social Media outlets in the about section, the website, and new banner, yet to be unveiled during the 2021-2022 regular season.

# FALL INDOOR BASKETBALL PICK UP

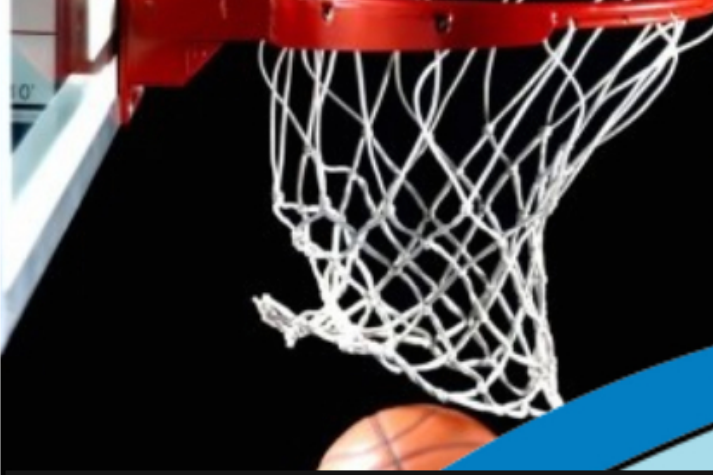

The BGBL will be playing basketball indoors for the first time since March 2020!!!!!!

**D1: Thursday's 9/9-10/28 7-9P**

**Masks, Gaiters Required  
Onsite Parking Lot  
MBTA Accessible**

**Marshall Community Center  
35 Westville St, Boston MA**

Made with PosterMyWall.com

The BGBL Board was recently notified that all Boston Publicly owned and operated INDOOR facilities will require full facial coverings- regardless of vaccination status (masks & gaiters) for the foreseeable future.

This means, (masks & gaiters) would be required at all times during the Fall Indoor Pick Up season.

We continue to look for an alternative gym (home) as the SEFC is currently unavailable until Fall of 2022 for the regular season outside of the Boston City Limits, that will not require masks/gaiters while playing and accept outside groups.

Updates will follow.

Thanks,  
BGBL Board

---

It is with a heavy heart that we share the news of Jack Campbell's passing. Last evening he lost his battle with lung cancer.

Jack earned his place in the BGBL HOF as a member of our first class, in 2014, for his tremendous contributions to the league, including serving as commissioner and sponsor.

As information about services become available we will share them.

Until then, please join the BGBL in sending our deepest condolences to Jack's family and friends. He will be deeply missed.

**BECOME A SPONSOR**

**#StopAsianHate**

**SPONSORS WANTED:**

With the South End Fitness Center basketball court closed until Spring 2022 resulting in higher gym costs and the loss of both the 2020-2021 regular and pick up seasons, the BGBL is looking for financial partners for the 2021-2022 season. It is our goal to not raise any prices for Members this season, but it is also vital to secure sponsorship to offset these rising costs.

Did you know the BGBL is a non-profit organization- (Tax ID: 32-0543382). We are always looking for partnership opportunities, both local and corporate. Sponsorship money empowers us to take bold steps forward to strengthen our presence.

If you know of a company that would be interested in sponsoring the BGBL for the 2021-2022 season, please click below.

Anyone who refers a company

that becomes a sponsor for the season, will receive a \$50 gift card to one of our current sponsors.

## Best Masks for Basketball

If your mask is lightweight, breathable and well-fitted, you're probably in good hands.

### *Adidas Face Covering 3 Pack – \$20*

This best-selling mask was created with soft, breathable fabric and the option to insert a filter for additional protection. With a snug fit over your nose and ears, this mask stays in place during intense physical activity. The bands that go around your ears, while not adjustable, are made of a soft elastic that helps keep the mask in place.

### *Under Armour Sportsmask – \$30*

This mask was designed with athletes in mind. It has a water-resistant outer shell and three layers of fabric that allow ample airflow while also protecting you. One of its best features is that its interior and ear bands feel cool to the touch – which is perfect when you're building up a sweat. It's also positioned off your lips and face, making it easier to breathe and stay cool.
