The Boston Gay Basketball League recognizes the difficulties that our players of color face on a daily basis, and proudly stands in unity as allies and family both on and off the court. Together, we must all take meaningful action, use our voices, and influence the change that is so desperately needed.

To further support Black Lives Matter- Boston Chapter and make a stand against systemic racism, the Boston Gay Basketball League will be matching up to \$500.00 total in donations. Please help by donating below today. Any amount will help!

We will have periodic updates on the total amount of money donated by the League and then present one check in July to Black Lives Matter- Boston Chapter.
