Hi All,

My name's Josh Joyce and I run a charity called Moving for a Movement. What we do: host 5k's and other races (so far just in a virtual format) with proceeds going directly to non-profits whose message/work helps social issues.

For our next race, we will be hosting a virtual 5k in support of The Boston Alliance of Gay, Lesbian, Bisexual and Transgender Youth (BAGLY) on this Sunday, October 25th at 9 AM - sign up/info here: <https://www.bagly.org/move> or **click on the picture below.**

If you are interested in running or learning more about MFM or BAGLY please don't hesitate to reach out to [movingforamovement@gmail.com](mailto:movingforamovement@gmail.com)

## Diversity and Inclusion Advisory Committee.

The BGBL is still looking for a few volunteer leaders to be a part of the new Diversity and Inclusion Advisory Committee. As part of this inaugural committee, you will play a key role in continuing the fight for equality and further the discussions on how to improve the BGBL mission with a specific emphasis on racial injustices.

This group will meet monthly and collaborate directly with the Community Outreach Director. Join this Team today and be apart of the change and solution!!

09/22/20

With the health and safety of BGBL members as a top priority during this challenging time of COVID-19, and in light of the continued Federal and Local guidelines of playing indoor "contact" sports, the BGBL Board has made the difficult decision to cancel the 2020-2021 regular season. Our hope is to play Pick-Up basketball starting in mid January 2021 through mid April 2021 on Saturday's at the South End Fitness Center. We are going to do everything in our control to bring back the BGBL in a safe and thoughtful way. There are many unknowns right now as our timeline is contingent on a readily available vaccine to the general public, gym availability, as well as Federal and Local guidelines for indoor "contact" sports. However, we hope to have more clarity as we reevaluate in early December as a Board on if and when we could host Pick-Up basketball.

Again, we want you to know we will make every effort to bring our community back together in a safe manner to enjoy the game we all love. In the interim, please be on the lookout for some fun and exciting virtual events announced via the BGBL Facebook Page and Group.

Sincerely,

## BGBL Sponsorship Opportunities

Did you know the BGBL is a non-profit organization- (Tax ID: 32-0543382). We are always looking for sponsorship opportunities, both local and corporate. Sponsorship money empowers us to take bold steps forward to strengthen our presence. It also ensures costs, such as membership fees do not rise, while tackling ongoing higher operating expenses.

If you know of a company that would be interested in sponsoring the BGBL for the 2021-2022 season, please email [bgblboston@gmail.com](mailto:bgblboston@gmail.com) or comment below for more details.

Anyone who refers a company that becomes a sponsor for the season, will receive a \$50 gift card.
